tomo

designed by Defne Koz

tomo

Defne Koz imzası taşıyan Tomo Ofis Grubu katı kuralların oluşturduğu alışlagelmiş ofis düzenine karşı bir tepki olarak ortaya çıkar. Yalın, kişiliğini ortaya koyan, özgün ve formsal kaygılardan uzak ürünler bütününe ahşabı yorumlayarak oluşturur.

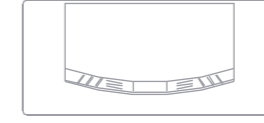

Tomo 9 gözlü klasör dolabı yenilikçi mimar ve tasarımcı Alessandro Mendini tarafından "Dünya Tasarım Yıllığı"na seçilerek Bremen kentindeki Übersee müzesinde üç ay boyunca sergilenmiştir.

tomo

Tomo Office Group designed by Defne Koz comes out as a reaction to traditional office systems. The pieces are simple, distinctive, unique and away from formal concerns.

Tomo cabinet with 9 drawers was selected by the innovative architect and designer Alessandro Mendini to be included in the "World Design Yearbook" and was exhibited for three months in the Übersee Museum in Bremen.
